

## **MY EXPERIENCES AT THE CAMP**

**By Markos Hutsanu**

It was 10 days that I will never forget.

I made new friends from all over the world like Spain, France, Greece, Poland.

We were living in a small house with 4 other people.

We were following a daily program which included activities like archery, kayak, football also there was foreign language lessons and more.

Every country presented their traditional foods and sweets.

I lost my slippers at the lake.

We visited an extermination camp.

We visited the Polish school that hosted the camp and watched a beautiful ceremony with traditional dances.

We went to the mall for shopping.
